

Men and women were made for each other

:

they are a clothing for you and you are a clothing for them

Allah made the man clothing for the woman
and the woman clothing for the man
the idea of equality, complementarity, and
support of both a psychological and physical nature

1

Men and women are each other's garments

2

3

than Allah would have never described them both as clothes

The Meaning of The Holy Qur'an

Neither was the man created for the woman; but the woman for the man
